1980 EAGLE DEDICATION

The 1980 Eagle is dedicated to Mr. Charles Anderson, Mr. Crayton Groeling, and Mr. Albert "Brick" Hamilton, all of whom are retiring after many years of service at Riverdale High School. We join the staff and students of R.H.S. in wishing them relaxation, enjoyment and new challenges in their retirement.

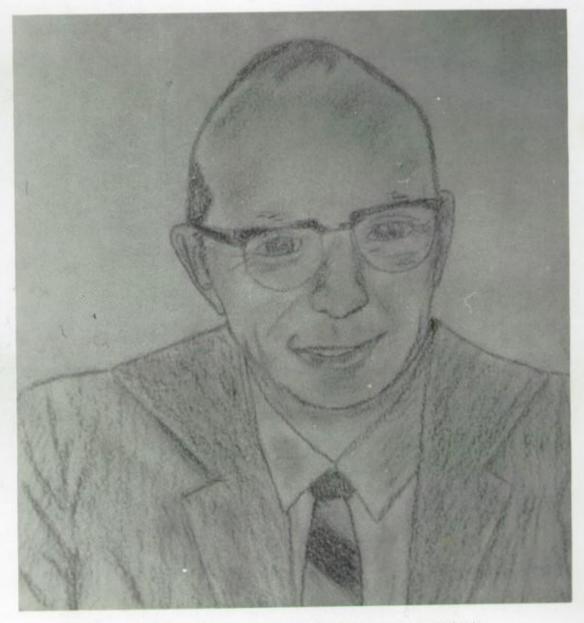

Mr. Charles E. Anderson Superintendent - Principal 1963 - 1980

Mr. Anderson began as a teacher and coach at Riverdale High School in 1954. He taught State Requirements, U.S. History and English and also coached J.V. Football, Varsity Basketball and J.V. Baseball.

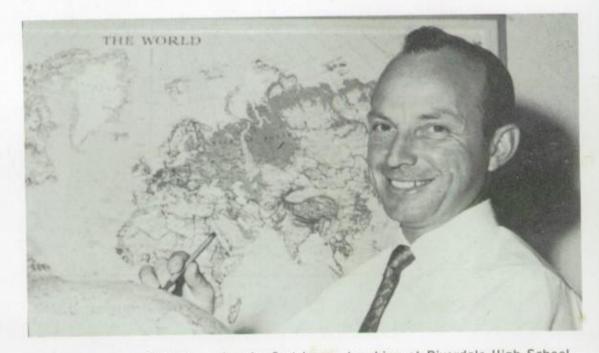

In 1956 he added the responsibility of Vice-Principal to his other duties. In 1958 Mr. Anderson became principal and taught only part time, advancing to his present position of Superintendent and Principal in 1963.

He has enjoyed working with students and misses the interaction of the classroom. Supervising C.S.F. trips were a highlight of his teaching career as students and teachers could get to know each other in a more relaxed atmosphere. He has enjoyed the small school environment where it is fairly easy to get to know all the students.

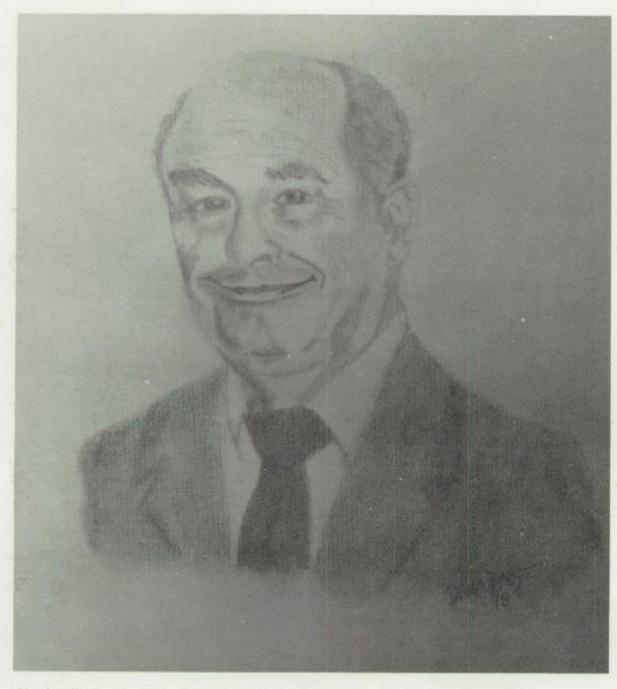

Mr. Anderson has purchased a donut shop in Oakhurst (Scotty's Donuts) and plans to move there this summer, manage the shop and learn to cook. Best wishes to you, Mr. Anderson, as you embark on a new segment of your life.

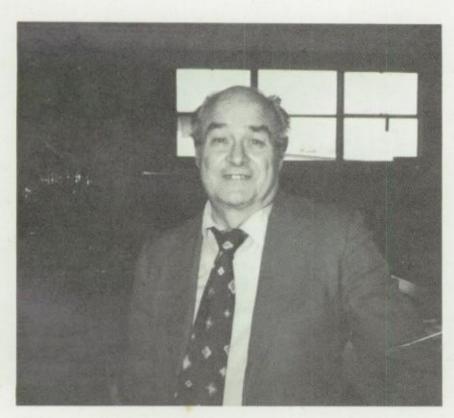

Mr. Anderson as portrayed in a drawing by Cathy Williams, art student.

Mr. Anderson taught history when he first began teaching at Riverdale High School.

Mr. Groeling as drawn by Dana Dargo, an art student at R.H.S.

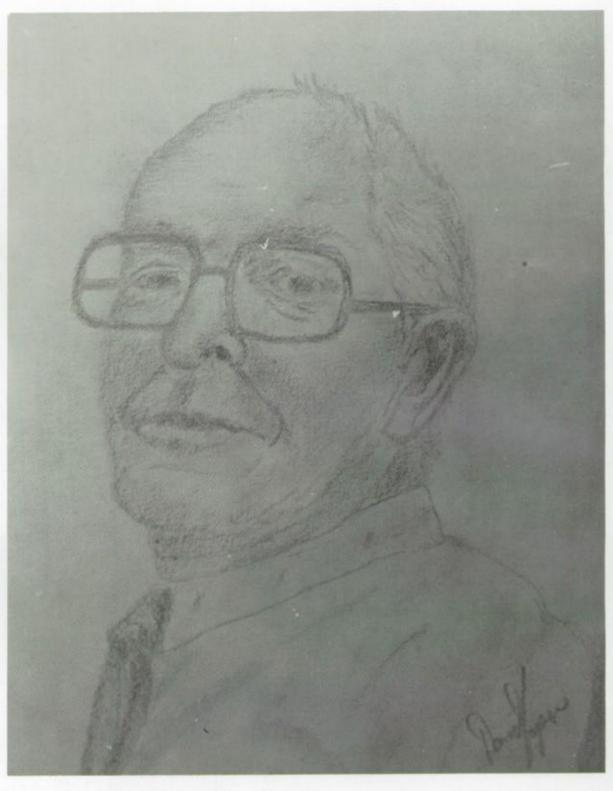

Mr. Crayton Groeling - 1979 - 1980

Mr. Groeling began his teaching career at Riverdale High School in September 1948. For 32 years he has been a well-liked and respected member of the RHS faculty. Many of the parents of students now attending RHS fondly remember Mr. Groeling as their history teacher. Although he has taught many areas of history, his favorites were Civics and Government. He also coached the Cross Country Team for a number of years and has missed that activity since it was cut because of Proposition 13. Mr. Groeling has stated that students don't seem to enjoy school as much as they did 10-15 years ago and thus, teaching is not as much fun. He has no immediate plans for retirement but may help Mrs. Groeling with her teaching duties at the primary school. A tradition at RHS for many years has been the singing of "White Christmas" at the annual Christmas program. We, the students and staff of RHS, will miss that holiday tradition but even more, we will miss our friend Mr. Groeling who was "The Gabby Hayes" of Spring Week as well as the respected mentor in the classroom. Enjoy the years ahead of you and be assured that your influence will continue to be felt at RHS.

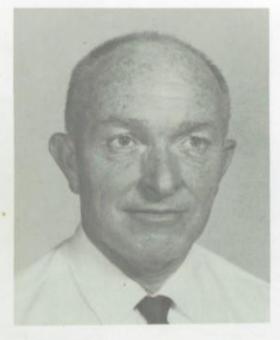

Mr. Groeling as a coach when he first started his teaching career at Riverdale High School.

Mr. Hamilton assumed the position of Business Manager for Riverdale High School in January, 1962. Prior to that time he had owned his own business, Hamilton's Hardware in Riverdale and had served for six years as a trustee on the school board. As business manager, Mr. Hamilton's major responsibilities were the budget, payroll, cafeteria, students accounts and personnel. Those who worked with him would be quick to agree that he knew exactly what was happening in each area and could always provide up-to-date information. He was never too busy to answer a question about insurance, sick leave or some other area. When asked how he felt about his years at RHS, Mr. Hamilton replied that Riverdale was his school, his children's school and the community was his home and he had enjoyed his years here. He has a trip to Canada planned for June and July and then hopes to work part-time and keep busy. We wish you many happy years as you face new challenges in the future.

CONGRATULATIONS CLASS OF 1980

How proud they look while sitting there, so calm and very straight
This class of 1980, as they wait to graduate
They worked so hard for many years, to wear their caps and gowns
Now that they have turned adults, a new life will be found
We pray that in the future, their goals they all will reach
And what they cannot understand, they know their Lord will teach
May God be their guiding light, throughout the coming years
And may they know to trust in Him, if they have doubts or fears
Congratulations to them all, each parent, teacher too
For this class would not be here, if it were not for you
